

# “The Inspired Home”

Organize, Redesign, and Stage Your HOME, with Style

Welcome to Fall the perfect time to finish those décor projects

OR put your redesign skills to work before Thanksgiving (Monday 12th of October). William Shakespeare had it right when he said, “Better three hours too soon than one minute too late.”

## NEWS

Did you receive your new ‘Campages’ directory featuring the new category ‘organizing’? You can find local stagers under ‘interior decorating’. New Continuing Studies Décor courses begin 7th of October at MHC. Upon successful completion you can apply for the introductory certificate. Ask Della to reconfigure your closet using local products from Rubbermaid or Gracious Living. Read the product reviews too.

The next ‘Home & Leisure Show’ is coming November 6th thru 8th

## DID YOU KNOW?

There are seven featured eco-myths; here are two: paper NOT better than plastic bags for landfill space and break-down;

Create Eco friendly household items at [www.tipnut.com](http://www.tipnut.com)

eco-tourism NOT always a green travel option unless energy and water conservation practices.

Cork, like bamboo, a fantastic renewable resource with a lifetime of hypo-allergenic properties while easy to refinish and/or repair.

Induction cooktops release energy directly to pot and contents so less energy diffused during cooking process.

Rona recommends ordering 5-10% extra hardwood when flooring to account for waste and/or mistakes.

# TIPS

Use this high tech checklist when shopping for the latest entertainment options: enough jacks in each room for cable & internet?? Enough telephone extensions?? Home pre-wired for theatre or multi-room audio/video?? Home have LAN??

Already wired for DSL or other high-speed connection?? Have multi-zoning heating and cooling controls that programmable?? Home has multi-room lighting window-covering or other automation controls/features?? Is home wired with multi-purpose wiring for updates??

Looking for Stylish Electronic Decor visit [www.electronicdecor.com](http://www.electronicdecor.com) Light Emitting Wallpaper, LG's LCD Refrigerator, Whirlpool Microwave Television and more.

Going paperless means destroying particular documents, consider professional shredding for these reasons: completely unrecoverable by others; certificates of destruction limit liability, cost-effective; witness acts prevents security risks.

Looking to change your décor to reflect the season? Think in terms of repurpose – your accessories and furnishings; layers – of lighting flooring fabrics, and window coverings; textures – changing out pillows, throws, linens, carpets, accessories; furniture plan – re-arrange for cozy conversations or indoor entertaining.
